Dear Peggy-

It has been a wonderful experience to work with Go For Baroque during our 05-06 concert season. From the first phone conversation Peggy was interested us—our concert series, our community and what we were working to achieve.

The result was a combined "Youth Art Show" which displayed 70 works of art created by elementary students throughout the county during our Artists-in-Schools residency program and a wonderful evening of music tailored for the "guest artists" joining us. The evening was filled with history, humor, audience interaction, demonstration and beautiful music which surprised even the youngest of skeptics.

An idea was born which we at the Chisholm Trail Arts Council hope to carry on into the future. Obviously, we at CTAC would recommend Go For Baroque to many.

Sincerely,

Stephanie Mitchell

Dear Peggy,

I wanted to take a minute to convey our most sincere thanks for giving Chickasha a lovely evening of music and entertainment. The entire evening was a delight, both musically and educationally. The audience loved it. The afternoon master-class with our students was also quite rewarding and educational. One of our students commented to me, "This is one of the best experiences I have had while at USAO."

So as for me, it was a "home-run" all the way!

Please pass this along to the ensemble. Have a great year!

Sincerely,
